

Residential Building Record Description

Notes: This file contains one record for each residential building. There is no upper limit on the number of buildings per parcel. Residential buildings are classified as buildings with 1, 2 or 3 living units.

Numeric fields are not zero-filled.
The file is not in any particular sequence.
The Length column is the maximum length of the field.
The Look Up column refers to the Look Up record description.

Record Count: Approximately 481,814
